Samruddhi Mohite

Full stack web developer| Currently pursuing Computer Engineering at Pune University

Pune, Maharashtra, India

Summary

At UNICEF, we harness the power of cloud technologies to further our humanitarian goals, seamlessly integrating my technical acumen with robust team management. Our commitment is steadfast in pioneering tech-driven solutions for societal benefits.

Concurrently, my role at Muskurahat Foundation involves steering fundraising initiatives through strategic event management, where our collective aim is to amplify the impact of each contribution towards community empowerment. Together, we're crafting a legacy of generosity and development.
