## Summary

Hello, I'm Aswin, an undergraduate student pursuing a degree in Computer Science with a passion in software industry and a strong entrepreneurial drive.

My ultimate goal is to leverage my technical skills and entrepreneurial spirit to create innovative solutions and launch my own ventures.

I beleive that the intersection of technology and entrepreneurship is where I can make a meaningful impact.

I'm dedicated to continuous learning and growth, both inside and outside the classroom.

I beleive that I have what it takes to be an entrepreneur. I'm excited about the opportunities that lie ahead, and I'm committed to expanding my knowledge and skills to achieve my entrepreneurial dreams.
